1. Scope of the Project

To conduct Skill development training program in the area of Information Electronics and Communications Technology (IECT) for 2520 number of youths (SC / ST / EWS (Women)) of aspirational districts of Uttar Pradesh over a period of 3-years through an array of NSQF aligned courses.

2. Background

The objective of Skill Development is to create a workforce empowered with the necessary and continuously upgraded skills, knowledge and recognized qualifications to gain access to decent employment or to make them employable and ensure India's competitiveness in the dynamic global market. It aims at increasing the productivity and employability of workforce (wage and self-employed) both in organized and unorganized sectors. It seeks increased participation of youth, women and other disadvantaged sections to synergize efforts of various sectors and reform the present system with the enhanced capability to adapt to changing technologies and labour market demands.

Recognizing this need and to develop and connect the youths of these identified Aspirational Districts with the mainstream development agenda and to facilitate them to contribute to the growing economy, NIELIT has conceptualized several skill development oriented course which are being conducted through its own 43 Centers/ Extension Centers and 900+ accredited institutes / training partners. The objective is to develop and enhance individual competencies (skill, knowledge and aptitude), to enrich and enlarge resource pool of ready to deploy candidates for addressing large human resource needs of current and future industry needs in the country for the Government and private sector.

3. Duration and Target of the Project

A total of 2520 youths from 07 Aspirational districts of Uttar Pradesh are targeted to train on 04 skill development courses listed at Para 7 in the area of IECT over a period of 3 years.

The year wise/Category wise breakup of target is tabulated below.

Category Year	SC candidates	ST candidates	EWS (women) candidates	TOTAL candidates
1st Year	224	224	112	560
2nd Year	462	462	231	1155
3rd Year	322	322	161	805
Grand Total	1008	1008	504	2520

4. Beneficiary Districts

Note: In addition to the given requirement, the following is also required

1. Power Backup & internet connectivity with at least 2 mbps line
2. Color Printer & Scanner
3. Multimedia Projector for Teaching
4. A faculty for teaching personality development and communication skill may also be required as the same is also desired in NSQF courses.

8. Selection of Training Partner (TP):

The TP's who are already registered with NIELIT for any of the four NSQF courses mentioned under the project need not to take affiliation for that course. However, if an institute which is not registered for NSQF aligned course with NIELIT want to start the project may take affiliation from NIELIT for the course as per procedure already defined in Handbook for NIELIT's NSQF Aligned Courses which is available at <https://www.nielit.gov.in/gorakhpur/content/nsqfgkp> for affiliation of these 04 NSQF courses.

Shortlisting of TP: A three-member committee Chaired by Center Head or his representative, consisting of Nodal Officer and Investigator/Co-investigator/PCU member from NIELIT HQ will short list the TP based on the criteria below:

Sr. No.	Criteria	Max. Marks
1	No. of students admitted in any NIELIT NSQF course in last 2 years	40
2	Distance from Municipal body (Nagar Palika/Parishad etc.)	20
3	Date of Operations Education field (particularly in IT & Electronics courses)	10
4	Tie-up with industry and previous placement records	20
5	Training Facility availability	10
Total		100

*** Minimum qualifying mark is 50.**

Interested training partners may submit the application form placed at Appendix-1. A copy of the agreement to be signed with the selected TP is placed at Appendix-2.

9. Selection of Candidates:

A three-member committee comprising of Nodal officer from NIELIT center, head/authorized signatory of training partner and one members from Dept. of Social Welfare / Dept. of SC/ST development/ Dept. of Women and Child Development of the concerned State Government / Local employment exchange may select the candidates fulfilling minimum eligibility criteria for admission as per qualification file of the course and on merit basis. Candidates with higher qualifications may be preferred.

A student can take benefit under this project only once, i.e. one student can enroll for one course only during the entire project and only once. This will be the responsibility of TP to ensure that no student is enrolled multiple times in one course or in multiple courses under the project. Further, there will be provision also in the portal to check duplicity of student records.

10. Implementing Strategy

i) Admission Process

Preliminary Registration for admission in any course will be done online by candidates and TP will assist candidates in Registration. Admission in any course will be granted to registered students after due process of short listing / scrutiny by the three-member committee mentioned in Selection Criteria. Opening of registration in any course will be notified on portal/website of the project well in advance and also TP and NIELIT RC will publicize the same.

Short Listing of Candidates: Applications will be invited through online portal with a transparent process of publicity in regional or local dailies/ web-site/ direct counseling at educational institutions or names/list or data of candidates may be provided/uploaded by Dept. of Social Welfare / Dept. of SC/ST Development/ Dept. of Women and Child Development of the concerned State Government / Local employment exchange etc. All these activities will be overlooked by Nodal Officer of NIELIT Center by approval of Center Head.

While admitting a candidate by Training Partner (TP), TP will thoroughly check and upload caste certificate, education qualification certificate, ID Proof and other documents on online portal of every student in a batch. In case in later stage after admission of a candidate, document of beneficiary uploaded on portal is found fake, then TP will not get any reimbursement for training and certification of such beneficiary.

ii) Training:

Training will be delivered in Aspirational districts through NIELIT centre, NIELIT Accredited institutes, NSQF or ESDM training partners and State Govt. departments like Employment Exchanges which is affiliated to implement the project by NIELIT Center as per the prescribed syllabus and format mentioned in Qualification files of the 4 courses available at <https://nqr.gov.in/>.

Training Partner (TP) will maintain records of Student preliminary registration, shortlisted Student (for training by committee) records and attendance and provide to NIELIT Official for inspection. Promotion of project, Study material and Library will be provided to students by Training partner and no additional cost will be claimed by TP for these purposes (Training fee includes all these expenditure). Training will be conducted as per course details mentioned in qualification files of these four courses.

In view of the present COVID-19 scenario, the TP may be asked to implement the training in Lab & Online Training Partner (L&OTP) Model also as defined below.

In this model NIELIT collaborates with Training Partner (TP) which provides Lab facility and also the classroom facility where provision of TV/Desktops/Laptops etc. will be made, through which students will attend online theory training conducted by NIELIT and Practical will be conducted by Training Partner at lab facility available in their premises.

Eligibility Criteria of L&OTP:

- Institute having requisite lab facility as per qualification file for respective Course which the institute is interested to collaborate with NIELIT.
- Must have qualified lab faculty for conducting lab sessions.
- Must have IP based Camera facility in labs through which NIELIT will be able to monitor the practical classes conducted by the training partner.
- Lab should be sufficient spacious so that social distancing norms may be ensured.
- Training Partner must have classroom with proper technical facility through which the students can attend online classes conducted by NIELIT Remotely.
- Classroom must have IP based Camera facility through which NIELIT will be able to monitor the attendance conducted by the training partner.
- Classroom should be sufficient spacious so that social distancing norms may be ensured.

Monitoring Mechanism

- a) TP may be asked to submit the CCTV footage of classroom on random basis.
Or
- b) Flying squad surprise visit.
Or
- c) Sudden video call by Nodal Officer, RPCU or any NIELIT Official.

iii) Placement Assistance:

NIELIT Centre through RPCU & TP of concerned TP/District may conduct Job fair at NIELIT Center/tie-up with industry/online remote interview if possible, to facilitate certified candidates to get suitable job. RPCU & TP will be responsible for facilitating placement related activity.

iv) Impact Assessment or Project Implementation Review:

An impact assessment of the project would be carried out through third party like DTU, IIM etc. so that the learning's /mid-course corrections, if any, could be carried out during the balance period of implementation of the project.

If required, NIELIT may also take feedback from beneficiary or other stake holders at regular intervals to review the implementation of project and make necessary changes through due procedure.

11. Coordination & Roles & Responsibilities:

i) NIELIT HQs:

Director General, NIELIT would be responsible for overall management of the Project and will be supported by the coordination team at NIELIT HQs.

ii) NIELIT Centers:

- One Nodal Officer at each NIELIT Centre has been nominated for this project.
- Director of each center is responsible for the management of the project in the states of their region.
- Responsible for conduction of Online Theory classes as per NSQF files and candidates will attend the theory classes at L&OTP premises.

iii) Centre level Nodal Officer

Each of the NIELIT centers will have a Nodal Officer to oversee the implementation of the project at the center level. The responsibilities are:

- Affiliation of Training Partners.
- Allocation of targets to affiliated training partners.
- Collaboration with Social Welfare of respective State / Employment Exchanges and other organizations for getting list of eligible list of candidates.
- Placement and counseling support to the successful candidates.
- Will be responsible for all financial matters of the project, will explain and clarify various financial aspects of the project to finance wing of concerned NIELIT Center.
- Responsible for timely preparation of Utilization Certificates and submission to NIELIT HQ as when required.
- Responsible for smooth conduction of Online Theory classes as per NSQF files and candidates will attend the theory classes at L&OTP premises.

iv) Role of TP

The TP registered by NIELIT Center after due process to implement the project in a respective district will have following roles:

- To promote the project/program at District Level.
- Will play active role in selection of beneficiary/candidate to be certified.
- To conduct training of candidates as per Qualification File of courses and support in conduction of examinations.
- To guide students and help them in training & certification related matters.
- To submit invoices in proper format along with all requisite documents to NIELIT Center.
- Any other activity not covered above as felt in future by NIELIT Center/RPCU/PCU/NIELIT HQ.

v) Role of L&OTP

- The L&OTP registered by NIELIT Center after due process to implement the project in a respective district will have following roles:
- L&OTP will nominate a coordinator who will be contact person and in-charge for all activities that are to be performed by L&OTP under the project.
- L&OTP will provide fill assistance to Nodal Officer of NIELIT.
- To promote the project/program at District Level.
- To play active role in selection of beneficiary/candidate to be certified.
- L&OTP will do the preliminary registration of interested students through online forms under supervision of Nodal Officer from NIELIT Center.

- L&OTP will conduct the practical for the courses in line with qualification file of the corresponding course.
- L&OTP must have faculty & lab Instructor who can conduct practical classes as per the course requirement.

- L&OTP will maintain requisite monitoring provisions in its labs like IP based Camera etc. through which NIELIT center / Nodal Officer can monitor the ongoing practical classes live and also students can ask queries if any from the NIELIT Faculty.
- L&OTP will maintain recording of all practical classes date wise which can be asked by NIELIT/ MeitY any time for verification.

- L&OTP must have classroom with proper technical facility through which the students can attend online classes conducted by NIELIT Centers Remotely.
- IP based Camera facility through which respective NIELIT Centers will be able to monitoring attendance conducted by the training partner.
- Classroom should be sufficient spacious so that social distancing norms may be ensured.
- To guide students and help them in training & certification related matters.
- To submit invoices in proper format along with all requisite documents to NIELIT Center.
- Any other activity not covered above as felt in future by NIELIT Center/RPCU/PCU/NIELIT HQ.

Activities and Revenue Sharing

Sno.	Activity	NSQF TP	L&OTP
1.	Accreditation Process	By NIELIT Center	By NIELIT Center
2.	Candidate Enrolment	By TP	By L&OTP
3.	Theory Lecture Delivery	By TP	By NIELIT Center but L&OTP will provide Classroom facility

4.	Lab session Delivery	By TP	By L&OTP
5.	Assessment of students	By NIELIT HQ	By NIELIT HQ
6.	Payment model	Reimbursement will be made to TP @75% payment for total Course fee as per NSQF rates. RC will keep 25% for conducting FDP for Faculty & Lab Instructors of TP and meeting various expenditures towards implementation of the project.	Reimbursement will be made to L&OTP @75% of per hour rate the duration of <u>practical component</u> of the course. RC will keep the remaining 25% for duration of practical component. Since theory component of training will be conducted by RC and L&OTP will provide classroom and other facility, 75% remuneration for theory component will be kept by RC and remaining 25% share will be given to L&OTP.

***As per Project proposal of NIELIT HQ, per hour rate is Rs.40 for courses mentioned at sl no.1, 3, 4 of para5 and it is Rs.46.7 for course mentioned at sl no.2 of para5 .**

12. Examination & Certification System:

Examination would be conducted by NIELIT HQ in line with the syllabus prescribed in Qualification file of the course.

Examination:

Examination would be conducted through online mode by Examination Section NIELIT HQ, at the end of the course for assessing the overall knowledge of the participants along with NSQF Course Exams.

Certificate:

All the successful participants would be issued Digital Certificate as in case of NIELIT NSQF courses.

13. Post Certification Activities

Raising invoice by Training Partner (TP):

After completion of training and certification of a batch, invoice will be generated from online portal by the TP. TP will verify the invoice online, upload attendance of students and other necessary documents in that batch after due attestation and forward it to Nodal Officer of the NIELIT Center in the corresponding state. Nodal Officer will further verify these details, take approval of Director and payment will be done to TP by Center.

14. Grievance Handling

All grievances of training partner and students will be addressed by concerned

NIELIT Center. Head of NIELIT Center will be solely responsible for smooth conduction of training in districts under the jurisdiction of concerned NIELIT Center.

Matters related to changes in policy/implementation strategy of the project will be dealt by NIELIT HQ.

15. Guidelines for submission:

The following conditions should be noted while submitting the Documents:
