1. Introduction & Background

1.1 Authority issuing Invitation for EOI

Bihar Building and Other Construction Workers Welfare (BBOCWW) Board invites Expression of Interest for "Empanelment of Training Partners for Conducting Recognition of Prior Learning of Registered Bihar Building and Other Construction Workers".

The Government of India enacted Act 27 of 1996 on 19th August 1996, named the Building and Other Construction Workers (Regulation of Employment & Conditions of Service) Act, 1996 to provide for construction workers, their safety, health and welfare measures and for other matter connected therewith or incidental thereto.

The Government of India enacted Act 28 of 1996 on 19th August 1996, named The Building and Other Construction Workers Welfare Cess Act 1996 & The Building and other Construction Workers Welfare Cess Rules, 1998 to provide levy and collection of a cess on the cost of construction incurred by employers with a view to augmenting the resources of Building and Other Construction Workers Welfare Board constituted under Building and Other Construction Workers (Regulation of Employment & Conditions of Service) Act, 1996.

Project Description

The Bihar Building and Other Construction Workers Welfare Board, Bihar deals with the welfare of BOC workers in Bihar. The BOC workers are the most vulnerable segment of the unorganized labour work force. Most of the BOC workers have migrated from different regions and states leaving their native villages in search of daily job.

Since the lack of skills is one of the contributing conditions for the poor status, it becomes imperative to provide skills to construction workers to improve their livelihood conditions. Recognition of Prior Learning is a suitable medium for skilling construction workers as it provides for certification of existing skills alongside flexibility of customized 'Bridge Course' for upskilling and reskilling.
